ABOUT JAQUAR SHOWER ENCLOSURES

Shower Enclosures have become an integral part of the modern bathroom. Besides serving the functional purpose of separating wet and dry areas, it gives elegance and style to the bathroom. It takes the aesthetic of the bathroom to the next level.

Shower Enclosures make bathrooms dry, hygienic, and safe. Restricting the water inside the wet room only, shower enclosures keep the entire bathroom dry, thus making it bacteria-free and hygienic. Shower Enclosures reduce the chances of slipping, making the bathroom safe.

Space has become the most precious commodity in cities today, and a shower enclosure helps save space. Modern bathrooms have 3 specific areas: Basin area, Water closet area, and Shower area. A corner standard-size shower area like 1 m x 1 m or 1.2 m x 1.2 m helps serve all the functional requirements of the bathroom.

With their functional benefits, shower enclosures have become a necessity in every bathroom today.

WHY JAQUAR SHOWER ENCLOSURES?

1| Jaquar understands bathrooms the best:

Our experts are professionals. They understand the requirements of every bathroom in terms of its pipelines concealed inside the wall, slope of the floor, height of the overhead shower or shower arm, and the design advantage and limitations of the bathroom as a whole.

2| Complete Solutions from selection to Installation:

Jaquar offers a complete solution, starting with the right selection of the model as per the design and technical needs of the bathroom. We also provide technical guidance and perfect installation of the enclosures by the Jaquar-trained technicians.

3| Ready-to-fit:

Jaquar's standard shower enclosures are flexible enough to adjust themselves in terms of the alignment of the tiling in the bathroom. Ready-to-fit enclosures save time - just pick it and install it.

4| Wide range of designs:

It comes in a wide range of designs and shapes with the option of clear, frosted, textured, curved, square, rectangular glass, etc.

5| Complete product, not the knocked down unit:

Jaquar Shower enclosures are manufactured in its own plant in Bhiwadi, Rajasthan. All the components, like glass, hardware, and plastic components, come as a complete product. Comes from the house of Jaquar.

6| Ezee Clean:

Easy Clean feature helps in easy maintenance

of the shower enclosures. Since the glasses of Jaquar Shower Enclosures have a special hydrophobic treatment that repels water, oil, and soap, it helps to keep the glass clean with 90% less effort. It inhibits bacterial growth and prevents limescale buildup and water spots.

7| Global Standards:

Jaquar Shower Enclosures pass through stringent quality parameters both as per the European and Indian Standards. It ensures consistency and enhances the life of the product.

8| Unmatched Customer Service:

Shower Enclosures come with a warranty of 5 years (except glass) along with a service backup. Jaquar also offers preventive maintenance services for hassle-free bathrooms.

Features:

1 | Glass:

Tempered glass: option of 6mm, 8mm and 10mm

Advantages of tempering/toughening glass:

- 4-5 times stronger than normal float glass
- Breaks into small pieces/dices minimising risk of injury
- Can resist thermal stress as edge strength is higher

Tempering done at Jaquar's own fully automatic state of the art tempering unit:

- Tempering for shower enclosure glasses only
- 90% of an enclosure is glass, so glass must conform to the highest safety standards as it is used in the bathroom

Quality checks:

- Fragmentation test: to check breakage pattern of glass
- Zebra test: no waviness
- Ball drop test (impact resistance): to check strength at point of impact
- Visual defects: to check bubbles, scratches, chipping at edges and other visible defects
- Free fall test: to check overall strength of glass, by throwing the glass freely on a plain surface

Standards:

- These standards ensure that the glass passes stringent quality parameters
- Ensures consistency
- Enhances life of the product

Conforms to both European and

Indian standards:

1 | Reference: India

- IS 2553 (part 1: 1990)
- IS 14900: 2000
- IS 2835: 1987

2 | Reference: Europe

- En 14450: 2000
- Adheres to European toughening norms

2 | Hardware:

Frameless Range:

- Hinges - Minimalist and sleek design to make entire enclosure look aesthetically appealing
- Made of brass with nickel and chrome plating
- Automatic closing upto 30
- Tested for 5 lakh cycles
- Rust proof screws
- Screw caps
- Protective film on the hardware to prevent scratches etc
- Designed to carry loads of upto 25 kg (per hinge)
- Gasket: Food grade plastic

Glass Connectors:

- Minimalist and sleek design to match the hinges
- Made of brass with nickel and chrome plating

Stabilisers:

- SS 304 grade
- Mirror finish to match chrome finish of the hinges and connectors
- 19 mm dia

Towel Bars:

- Longest towel rod (405 mm x 205 mm) to hang 2 towels
- Brass with nickel and chrome finish
- 9 mm dia
- No visible screws

3| Plastic Parts:

Semi-Framed and Frameless range:

1| Made of food grade plastic

2| Finish:

- Sleek to match with hardware
- Transparent look complementing glass
- Enhances aesthetic appeal of enclosure

3| Concealed magnet ensuring longer life

4| 5 year warranty for complete peace of mind

5| Replacement even if it turns yellowish

6| Profile instead of wall connectors:

- Aluminium profiles with anodizing
- Aluminium is first cut to size, then chemically treated and anodized so that there is no chance of rusting
- Adjustment of 15 mm so as to cover undulations in the wall

7| Hing:

- Rise of fall mechanism: door rises 6-8 mm above the floor while opening thus preventing any chance of breakage

Sliding Range:

- Top hung channel- gives free walk way
 - Wall profiles: sleek with 15 mm adjustment
 - Rollers: ball bearing encapsulated in brass
 - 5 years warranty on rollers
-

Tempered Glass With Easy Clean Feature

Glass is a major component in the shower enclosure. So the utmost care should be taken while using glass in the shower enclosure. Raw float glass or heat-treated glass should never be used in shower enclosures. Jaquar, keeping safety on priority, uses the highest quality of toughened or tempered glass, manufactured in Jaquar's own fully automated state-of-the-art tempering unit, as per the Indian and European safety norms. These standards ensure that the glass passes through stringent quality checks, ensuring consistency and safety, thus enhancing the life of the shower enclosures.

All the Jaquar shower enclosures have special hydrophobic treatment on the inner surface of the glass. This treatment repels water, oil, and soap and helps to keep the glass clean with minimum effort. It prevents bacterial growth and stops limescale buildup and water spots on the glass.

Jaquar offers a variety of models with different glass options, like clear glass, extra-clear glass, frosted glass, and textured glass with a variety of patterns. These patterns add elegance to your bathroom décor and provide uniqueness to your enclosures.

ENCLOSURE FOR STEAM CUBICLE

Enclosure for Steam Cubicle: Design your own space

Jaquar introduces enclosures for the steam cubicle as per the need of the bathroom dimensions. Jaquar enclosures provide perfect solution to the need of a roof on top of an enclosure or adequate fixtures to restrict the steam inside of the cubicle, thus satisfying the dream of a steam cabinet even in your existing bathroom.

SHOWER TRAY

Ensure Safety & Hygiene In The Showering Area

Shower tray is an important part of a shower enclosure. Shower trays are recommended for all shower enclosures to get a complete experience of bathing. Available for every models of Jaquar's Standard Shower Enclosures which complement each other for complete bathing solution with aesthetics.

Advantages of Shower Tray:

- Secures safety with its anti skid surface
- It channelizes the water flow properly to keep away dirt and fungus formation. The water tight drainage system prevents insects to get inside the bathroom area
- Designed with accurate precision, it is properly fitted with respective shower enclosures by making it functionally and aesthetically more effective

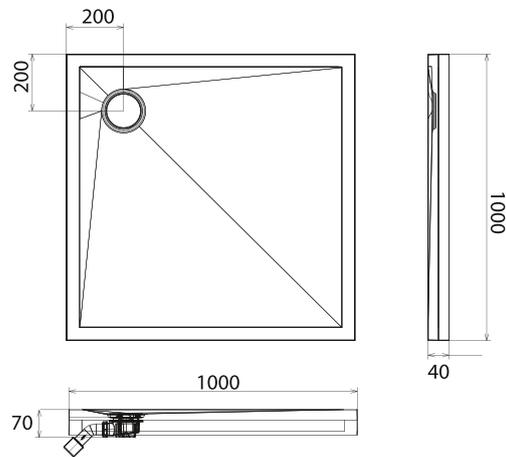

- Eliminates all the possibilities of water seepage & peeling of paints
- Use of high quality multi-layered material with reinforcement in the base provides solid feel & durability
- Shower Tray made of Hi-gloss PMMA material which is white in colour & completely free from maintenance

Textured & Frosted Glass

Textured glass has a repeating shallow pattern that is available in different styles. It enhances the overall look of the bathroom. Several styles to choose from :

Features:

- Permanent. Images won't fade, peel, scratch or crack
- Control over opacity

Textured Glass:

Unique and Handcrafted designs on the glass. As the patterns are non geometric in shape, each and every piece of enclosure are unique and different to each other. The textured designs on the glass are patterns without losing the transparency of the glass.

Frosted Glass:

The sand blasted frosted glass makes the enclosure opaque which provides more privacy condition. The geometric frosted shaped provide more option of design to a shower enclosure.

JAQUAR GROUP GLOBAL HEADQUARTERS

LEED Platinum Certified by USGBC

Net zero energy building spreadover 48,000 sq. mtrs.

Jaquar
GROUP

Conceived back in 1960, the Jaquar Group has been built on the platform of the highest quality standards, aesthetics and the intent of providing world-class products. Today, the Jaquar Group caters to luxury, premium and value bathroom segments with Artize, Jaquar and Essco brands, respectively, for residential and commercial sectors across the globe. In fact, Jaquar is now an internationally recognised brand available in over 60+ countries in Europe, the Middle East, Africa and the Asia-Pacific region.

Artize

Inspired by this magical touch of art, the luxury lifestyle/wellness-brand Artize aims to create inspiring artful spaces in an area one rarely associates with the word "ART" – the bathroom. Artize is a classic blend of unique designs, minimalistic shapes, and meticulous finishes that sets new benchmarks in redefining the landscape of luxury bathrooms. Born From Art, as the name suggests, Artize is set to redefine the "form" that one is used to in a typical bathroom space.

Jaquar | BATH + LIGHT

Jaquar's vision is to be the brand that inspires people worldwide to rediscover the joys of water and light.

A global Superbrand, its Complete Bathroom Solutions include a wide range of products that have beautifully designed aesthetics to make the bathroom a relaxing, refreshing, joyful space, as well as the highest build quality to ensure that they can withstand tough usage conditions, backed by a 10-year warranty and dependable customer care

In lighting too, the brand offers Complete LED Lighting Solutions - for residential, commercial and outdoor use. Designed to be compatible with, and complement, every interior and exterior design aesthetic or décor, every lighting product reflects Jaquar's impeccable record of superlative quality and painstaking attention to detail.

ESSCO

The oldest brand from India's most trusted corporate in the bathware segment, Essco has been in existence for 5 decades. A value brand that added a whole new chapter in the country's bath fittings industry by ushering in the era of the organised bath market, Essco has been supporting affordable and sustainable housing in India. Its range of quality products are not only priced reasonably, but also offer a 10-year warranty and excellent customer service.

Essco has been standing tall in the Indian bath fittings industry since 1960 by delivering great performance at a low cost. And enabling Indian consumers to live a better quality of life through good sanitation and affordable housing.
