## New Duoflo Ceiling Showers

---

Two modes, two shapes, too good.

The new Duoflo range of showers from Jaquar add a new dimension to your showering. Each offers a choice of two relaxing modes – Rain and Mist, or Rain and Waterfall or Rail and Laminar. Available in square and round shapes and a variety of colour finishes to suit every premium bath's aesthetics.

Duoflo lets you personalise your showering experience. Select Chromotherapy models to enjoy the benefits of colour therapy or choose LED-free variants that offer the same indulgent functionality with a more minimal aesthetic.
